Horses and ponies must jump in the order in which they appear on the Notice Board or starting sheet, unless special permission has been obtained from the Executive. Any competitor missing his turn may be eliminated from the competition. During the competition, three competitors must always be ready to enter the arena. If a competitor does not respond when he is called, he loses his turn, and may be eliminated from the competition in progress. The countdown system will be used in all arenas.

EXHIBITOR PASSES

No passes are required for this event, and it is free for all spectators. Horsebox passes will be issued on arrival to display in windscreen.

UNACCOMPANIED COMPETITORS

Unaccompanied competitors must provide the Showjumping Secretary with a contact telephone number in case of an emergency.

DECLARATIONS

Competitors in national classes must declare at the ringside before the start of their class, EXCEPT for the first class in each ring, and the 1.00m Open classes which will be drawn orders. If there are no competitors waiting to jump or there are no numbers on the blackboard, the judges will close the class. Please ensure that you arrive early.

QUALIFYING FOR THE INTERNATIONAL ARENA

All starting fees will be taken at the Show Office. Starting fees are taken as declarations. Entries for all National Classes confined to registered horses/ponies to be ridden by members in accordance with Rule 79.

JUNIOR MEMBERS

Junior Members are only permitted to compete on horses from the calendar year in which the age of 12 is reached.

STALLIONS

Rule 82.19. No member shall allow a stallion for which he/she is responsible as owner, lessee, authorised agent or rider to compete or be prepared to compete, in any showjumping competition without taking adequate precautions to ensure other members of the public are not put at risk of injury. Also refer to Rule 102.13, guidelines for restraining stallions. Stallion owners at Hickstead are required to bring their own electric packs for use in the stables. Unruly or dangerous animals may be asked to leave the showground.

RULES FOR HORSE BOOTS

These rules apply to all Age classes. The total maximum weight of equipment allowed to be added to a horse's leg, front or hind (single or multiple boots, fetlock rings, etc.) is 500g. All hind leg protections must have a maximum interior length of 16cms and a minimum exterior width of 5cms. The inside protection must be smooth, and the fixings must be made of non-elastic Velcro type fasteners with no hooks or straps permitted. The rounded rigid part of the protection must be placed around the inside of the fetlock. No additional elements may be used in conjunction with the protection. Hind boots for classes under this rule that have an extra flap for protection should be allowed providing the flap is soft and clearly intended for protection only. Fetlock rings may be used in addition for protective purposes providing they are properly adjusted and providing the total weight of equipment on the horse's leg does not exceed 500 grams. No additional elements may be used in conjunction with the protection as detailed above. Failure to comply will incur disqualification.

HICKSTEAD GENERAL RULES AND REGULATIONS

1. FORFEITURE OF FEES AND CHARGES

If entries are cancelled after the closing date, half the entry fee will be refunded up until 48 hours before the start of the show after which time there will be no refund. We regret no stabling charges can be refunded (other than in accordance with BS rules). Should any competition be cancelled because of bad weather or any reason, entry fees will be refunded, but it is regretted that stabling and other charges cannot be refunded.

2. PRIZE-GIVING

Owners of winning horses are most welcome to come into the arena for the presentation of awards.

3. TIMETABLE AND CLASS LISTS

The revised timetable and class lists will be available the night before. Riders whose horses are not stabled at Hickstead are strongly advised to check for revised times.

4. VEHICLES

The Executive reserves the right to remove any vehicle which is obstructing any access to or from the ground even if locked and unattended and the Executive will not be liable for any injury, loss or damage occasioned by such removal.

5. MOTORBIKES AND BICYCLES

In the interests of safety of competitors and members of the public, the riding of bicycles, motorcycles, mopeds, electric scooters, etc. is FORBIDDEN anywhere on the Hickstead Showground. Anybody contravening this rule will be sent off the showground.

6. FIRE PRECAUTION

The County Fire Officer of West Sussex has ordered that all horseboxes and caravans parked in the Stable Field must carry a fire extinguisher. You may be asked to leave if you do not have one.

7. STABLING

All stabling will be on the ground in either permanent or hired boxes. Stabling will be made available for the period of the show only at £159 inc. VAT per box per week, or £284 inc. VAT for the whole two week period. No single night bookings will be taken. No horses or persons may come on the showground before 10am on Tuesday, 27th August, or if arriving for the second week only, not before 10am on Tuesday, 3rd September. Due to fire regulations, it is regretted that straw is banned from the Stable Field. Stables may not be bedded down in advance. Extra shavings and haylage can be purchased in the Stable Field on a daily basis. Due to the escalating cost of muck disposal, exhibitors will be charged £6 per stable to go towards the cost of this service. Exhibitors are expected to leave their stables in a clean state, but many are failing to do this, so a £30 per stable charge will be made to anyone failing to muck out on departure. No horses or ponies may be kept in lorries overnight. Exhibitors who have not booked stabling will not be admitted to the Stable Field until the day of their competition.

8. HORSEBOXES

It is a requirement to put your mobile telephone number on your horsebox pass which must be displayed in the windscreen. It is prohibited for any exhibitor or associate to interfere with another exhibitor's horsebox.

9. DOPE TESTS

BEFAR reserve the right to take random "dope" tests on horses and ponies in any class held at the All England Jumping Course. These tests will be carried out in accordance with the Rules and Regulations of BEFAR.

10. CARAVANS AND LIVED-IN HORSE BOXES

Exhibitors with generators on their horseboxes must turn them off by 10.00pm. The Stable Field Security will strictly enforce this ruling. Exhibitors who fail to comply will be asked to leave the showground.

11. PRIZE MONEY

Prize money will be paid directly by BACS into your nominated bank account post show.

12. ANY COMPETITOR found riding in the ring without permission will be disqualified from the show and reported to the Stewards of British Showjumping. All warming up must be done in the area provided. No one is allowed on the showground in the evenings or up to an hour before the first class in the morning. Any person riding their horses anywhere other than in the permitted areas will be subject to disciplinary action by the Executive and may be ordered off the showground.

13. THE EXECUTIVE may in any dispute or other matter whatsoever, act or decide in any manner they think fit (saving BS rules). All objections and complaints must be made in writing and accompanied by a deposit £100 under British Showjumping Rule 198.

Please read carefully the General Rules and Regulations. Any person coming to Hickstead or involved in any aspects of the meeting is deemed to be bound by the General Rules and Regulations and all indemnities and undertakings required.
